Application for Funding

Complete this form and attach to a written proposal (3-5 pages). The proposal should describe your organization, clearly state the amount of funding your organization is requesting, the project for which funding is sought, the target population to be served, and the outcome expected as the result of this grant. In addition to the application and the proposal, you **must** also submit a copy of your organization’s Articles of Incorporation, IRS tax-exempt determination letter, most recent financial statement, IRS Form 990, current annual budget, budget outlining use of the funds being requested and a list of your organization’s current board members. **Six** copies of the application and proposal, along with **six** copies of all of the above described, required documents **must** be submitted (If the technology is available to you, in lieu of individual packets, you may submit your proposal electronically to efsfoundation@efsfoundation.org).

Please review the Grant Guidelines & Application Procedures carefully prior to submitting a grant proposal.
